517th Parachute Infantry Regiment 460th Parachute Field Artillery Battalion 596th Parachute Combat Engineer Company

May 7, 1945 - Victory in Europe Day

From: <u>https://en.wikipedia.org/wiki/Victory\_in\_Europe\_Day</u>

Victory in Europe Day, generally known as V-E Day, VE Day or simply V Day, was the public holiday celebrated on 8 May 1945 to mark the formal acceptance by the Allies of World War II of Nazi

Germany's unconditional surrender of its armed forces. It thus marked the end of World War II in Europe.

The term VE Day existed as early as September 1944, in anticipation of victory. On 30 April 1945, Adolf Hitler, the Nazi leader, committed suicide during the Battle of Berlin. Germany's surrender, therefore, was authorised by his successor, Reichspräsident Karl Dönitz. The administration headed by Dönitz was known as the Flensburg Government. The act of military surrender was signed on 7 May in Reims, France and on 8 May in Berlin, Germany.

Upon the defeat of Germany, celebrations erupted throughout the

world. From Moscow to Los Angeles, people celebrated.

In the United Kingdom, more than one million people celebrated in the streets to mark the end of the European part of the war. In London, crowds massed in Trafalgar Square and up the Mall to

Buckingham Palace, where King George VI and Queen Elizabeth, accompanied by Prime Minister Winston Churchill, appeared on the balcony of the palace before the cheering crowds. Princess Elizabeth (the future Queen Elizabeth II) and her sister Princess Margaret were allowed to wander incognito among the crowds and take part in the celebrations.

In the United States, the victory happened on President Harry Truman's 61st birthday. He dedicated the victory to the memory of his predecessor, Franklin D. Roosevelt, who had died of a cerebral hemorrhage less than a month earlier, on the 12th of April. Flags remained at half-staff for the remainder of the 30-day mourning period. Truman said of dedicating the victory to Roosevelt's memory and keeping the flags at half-staff that his only wish was "that Franklin D. Roosevelt had lived to witness this day." Later that day, Truman said that the victory made it his most enjoyable birthday.

Massive celebrations also took place in Chicago, Los Angeles, Miami and especially in New York's Times Square.

#### RE: Robert R. Gruwell (KIA)

Mr. Barrett:

As you may recall, I contacted you some time ago concerning Gruwell as a future research/exhibit subject at the USAHEC. You had me contact Jean-Loup Gassend and he sent me his picture that he, Jean-Loup, got from Gruwell's sister. I have since gotten Jean-Loup's book, "Autopsy of a Battle," and am reading it. I noticed on Gruwell's portrait photo he is wearing the shoulder insignia of the 11th Airborne. This would make sense as the 11th went to the Pacific Theater and Gruwell was from Los Angeles. But, it has me wondering how Gruwell became a member of the 517PIR. I sent an email to the 11th Airborne Association asking if any survivors there remember Gruwell or if there is any documentation concerning him. They will put my request in their newsletter, but not until June. I hope to find a way to access Gruwell's records through NARA, for an explanation, but that may be a long shot. Jean-Loup also told me that he understands there has been a party in France attempting to locate Gruwell's grave. I don't have any other details as yet. I

Robert R. Gruwell, 21, of G Company of the 517<sup>th</sup> PIR, was apparently killed his own grenade when he tried to throw it into the German ambulance that was bushed beneath Callian on the morning of the invasion. Virginia Bunkofske llection.

have to email Jean-Loup for more photos and additional information. According to a German sailor survivor, Otto Hessert, who was on the bus that was attacked, the bus contained sick and wounded, but some had weapons. One of the young Germans got nervous and began firing, thus setting off the events that led to GruewII's death. Take a look at pages 107-110 of the book. I have all of **Clark Archer**'s documents as he sent them to USAHEC. If I get any information, I will see that you get it as well.

One other most important thing for you and your members. You are aware of the World War II Memorial in Washington, D.C. I presume. The web site is: <u>www.wwiimemorial.com.</u> In the upper left, click on "WWII Registry." That will take you to the "unofficial" World War II Registry. On it a WWII Veteran, or a family member can create a free account and register the service of any WWII veteran. BUT, you can also register the service of any civilian who worked in support of the war effort on the Registry. For example, I registered my mother, Mary Figueiredo, on the site. She sewed bindings for uniforms and then became an electrician's helper at the New York Ship Building Company yards in Camden, NJ. I was also able to get he records through NARA. It would be a good project for family members of those veterans who have passed away.

Sincerely,

Joe Figueiredo

P.S. I am sure Jean-Loup will give permission for you to place Gruwell's portrait and story on your web site.

MailCall # 2354

Attached is a photograph of **Colonel Graves'** staff car taken in Germany in 1944. I had it scanned and am sending it to your association as a thank you for your service to our country and as a thank you from me. I am sending it as a Zip File and in Word so you can use whichever is easier for you. Please credit the **Military History Institute, Carlisle PA, Rupert D. Graves photograph collection**. Colonel Graves' papers are also at AHEC and I will take a look at them as well as some archived material concerning the 517th.

Also, see the below email request.

Sincerely and with the greatest respect,

Joe Figueiredo

COL R. D. GRAVES STARF OAR CAPTURED FROM CERMONS IN Proht Infession of S. FRANCE August 1944

From: Joe Figueiredo To: <u>webmaster@517prct.org</u> Date: April 21, 2017 at 12:40 PM Subject: Permission to use photograph.

To Whom It May Concern:

My name is Joe Figueiredo and I have been researching the death and burial in an unknown grave of **Pvt. Robert R. Gruwell** of Company G of the 517 PIR, for use in a **possible** exhibit in the Soldier Experience Gallery at the U.S. Army Heritage and Education Center in Carlisle, PA.

I would like to submit for consideration by Army officials a photograph found on your site submitted by **Ms. Shelly Azeff** taken by her father, **Lt. Warren Caufield.** The photograph is number 60 and is of two wrecked German vehicles which as I understand it is the location at which Pvt. Gruwell met his death. The photograph was also used by **Jean-Loup Gassend** in his "Autopsy of a Battle." It was he who advised me to ask Ms. Azell for permission to use the photograph. Therefore, would you please forward this email to Ms. Azell for me?

I find the story of Pvt. Gruwell very compelling in that he was apparently accidentally killed by his own hand grenade, but then the location his grave has been unknown for all these years. I can only imagine his family's grief upon being notified of his death and then to be notified that his remains have been lost. Should Army officials decide to use his story as a part of the Soldier Experience Gallery, a process which may take about three years, I believe visitors will better appreciate the many sacrifices made by our Veterans and that not all are accounted for.

Thank you for your service and your kindness to me in all my requests.

Joe Figueiredo

MailCall # 2354

Sorry for the delays in getting this MailCall out. I was traveling for business in the UK and tied up at work. -- BB

While driving to Cambridgeshire, we happened to pass the Cambridge American Cemetery, one of the 26 permanent American cemeteries located in 19 Countries that are maintained by the American Battle Monuments Commission. I have been to the ABMC cemeteries in France and Belgium, but never realized that there were two in England as well.

I had to stop and take a couple of pictures. Like all the ABMC locations, it is a beautiful site, always well maintained.

Our driver, a Brit, made note that most countries, including England, do not have such memorial parks for their veterans.

The Cambridge American Cemetery and Memorial site in England, 30.5 acres in total, was donated by the University of Cambridge. It lies on a slope with the west and south sides framed by woodland. The cemetery contains the remains of 3,812 of our military dead; 5,127 names are recorded on the Tablets of the Missing. Rosettes mark the names of those since recovered and identified. Most died in the Battle of the Atlantic or in the strategic air bombardment of northwest Europe.

From the flagpole platform near the main entrance, the great mall with its reflecting pools stretches eastward. It is from the mall that the wide, sweeping curve of the burial area across the lawn is best appreciated. Along the south side are the Tablets of the Missing, and at the far end is the memorial with a chapel, two huge military maps, stained glass windows bearing the state seals and military decorations, and a mosaic ceiling memorial honoring the dead of our air forces.

Meanwhile, back in the States, here is a recent photo of my grandson, Crew (15 months old) climbing on an M4 Sherman tank at the General George S. Patton Memorial Park in Hamilton MA.

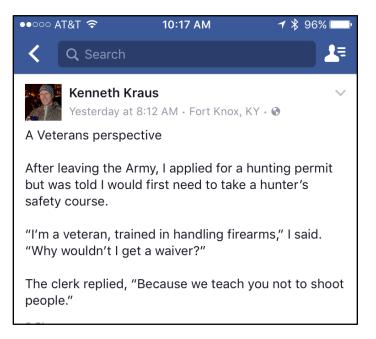

Hamilton MA was the adopted home of General Patton and his wife.

Some say this M4 tank actually fought in Patton's Third Army.

Bob: Happy Easter. I'm getting caught up on my Mail Calls.\* Was in trial for several weeks, so they stacked up. Also we just returned from Kansas yesterday. We had been in Kansas for three events honoring Dad. The first event on Wednesday was the formal dedication of his papers at Kansas State University's library's special collection. On Thursday, the elementary school named after him, posted a birthday celebration complete with the General's mounted honor guard performing extraordinary feats of horsemanship. Friday afternoon we have the dedication of the new veterans administration clinic for eastern Kansas in Dad's name. Senator Moran spoke and Congressman Marshall and General Frank, Fort Riley's Big Red One commander, honored the extended Seitz clan by their presence. It was a moving day.

#### Pat Seitz

Dear Bob: this has been a feast to catch up on Mail Calls. And how nice of **Kenton Floyd Immerfall**, nephew of **Floyd A. Stott**, 1st Lt., Co. "I", 3rd Bat., 517th PRCT, to remember Dad's birthday. We belatedly yet wonderfully celebrated it at the elementary school named in his honor at Fort Riley. He loved the students and teachers at that school and was a frequent visitor, reading to the kids.

Thanks to the 33rd Signal Construction Battalion Reenactors, we have the Continental Telephone Directory, European Theater of Operations from May 20 1945.

Here we have the code names for 517th PIR ("DRAGONET"), 460th PFAB ("DECCA"), and 596th AEC ("CISCO"). Note that "CISCO" is code name for "586th Engr A/B Co" on the document. Most likely an error as no 586th Engineer Airborne Company or AEC existed during World War II.
